REV. EDWARD H. JONES, D. D.

[redacted]

Feb 6, 1978

Dear Admiral Turner:

We wish to thank you and congratulate you upon the magnificent address you delivered to the Stanford student-body last evening. We were chagrined by the actions of the hecklers, but admired the patience, the graciousness, and tolerance with which you dealt with them. But the overwhelming majority were solidly behind you and we rejoice to have a man of your stature, intelligence, morality, and justice at the helm of the CIA. God bless you in the heavy responsibilities that rest upon your shoulders.

We were so happy for the opportunity of meeting Mrs Turner and yourself again and thanks for the Reserved seats.

Sincerely yours, Edward H. Jones
